

five. William J. Burns arrived here today, and since his arrival has been in constant conferences with the district attorney and officials of the National Erectors' association.

There is a report that a secret meeting of the executive board of the Bridge and Structural Iron Workers was held last week.

Miller today refused to say when Ortie McManigal would be taken before the grand jury. He said the investigation was a secret one by direct orders of the government, and if there was any publication of the grand jury proceedings, a contempt action would be begun immediately.

San Francisco, Cal., Dec. 11.—Deputy United States Marshals today subpoenaed 48 persons in San Francisco, to appear before the federal jury at Los Angeles, on the dynamite conspiracy.

They were persons who are supposed to have seen or talked with J. B. McNamara when he was here under the name of Brice. The belief is that an attempt is to be made to find out with what labor leaders McNamara talked here.
